

MLD PhD Writing Skills Waiver Form

A ML PhD student may waive the writing skills requirement if the student already has a first author paper accepted at a top ML conference/journal since these papers already went through peer review.

Student Name

Paper authors:

Paper title and date

Link to paper:

Type of paper - select type and give name (e.g. OOPSLA '18):

Conference

Journal

Accepted at

Student - enter your contributions to the paper:

I agree this paper is of the quality to waive the writing skills requirement for the student and will confirm the student contributions to the paper.
